**Rental price includes free service on radio and/or replacement.*

2. OPTION TWO - BUY \$495.95** Purchase, Installation & Activation Fee

Residential Monthly:	\$34.95 Wireless Access
Business Monthly:	\$69.95 Wireless Access

***Service charges will apply on radios requiring service/repair.*

IMPORTANT: 12-month commitment required; GST is applicable. (PST is applicable on monthly radio rental and/or purchase of a radio).

Billing Options:

- 1) Pre-authorized -Credit Card or PAD
- 2) Monthly statement -Available if subscribing to ALTO Long Distance Savings Plans

Advantages to Rental over Purchase

- Rental includes service repair and/or replacement
- No initial cash investment
- Stay current with technology
- No investment in hardware equipment
- No loss in investment if one moves or changes services
- New technology ALWAYS lowers the value of existing hardware
- Radio is depreciating immediately
- Radio will not work with other wireless services
- Greater flexibility after 12-month commitment

Standard Installation Includes:

- Installation of wireless radio/antenna to TV tower or J-mount
- Up to 25 metres of outdoor shielded CAT 5e cable
- Single arm mount or TV Tower brackets for radio mounting
- Alignment of radio and confirmation of signal strength
- Up to 2 hours of installation labour
- Limited 30-day warranty on installed components against workmanship

NOTE : Standard Installation does not include computer or network configuration

Service Includes:

- 3 Mb combined upload/download (1.5 Mb upload; 1.5 Mb download)
- Up to 11 email accounts
- Unlimited Usage
- Free anti-virus/spam filtering on primary email account
- 10-hr/month national dialup access for remote access

Optional Features:

- Static IP Address \$10/mth.
- 5.9¢ / min. Long Distance Savings Plan (Canada/US)
