Brivo Security Suite for Multifamily

A unified cloud platform for access control, video intelligence, visitor management, and smart building, built for residential communities and the teams who run them.

Access **Video** **Visitor Management** **Smart Home** **AI** **Mobile**

Brivo Security Suite: Multifamily Edition

Access control
Up to 30 administrators · event tracking · device status · emergency scenarios · role-based permissions · remote and mobile management · conversational AI assistant

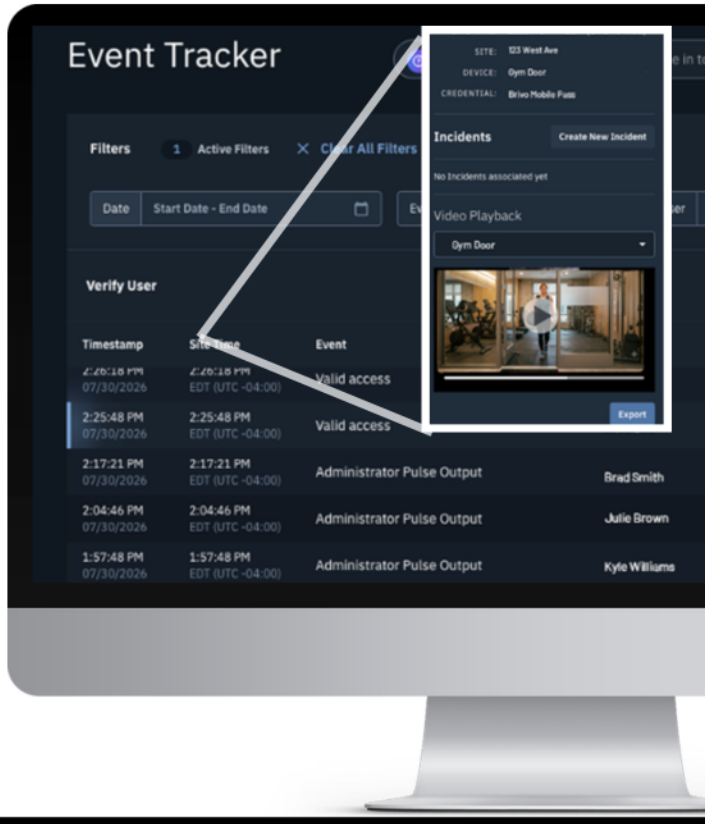

Video
Live and recorded video · remote video monitoring · camera status and events · video analytics · Brivo Eagle Eye Video

Credentials
Brivo Mobile Key · card · fob · PIN codes · HID Mobile Credentials available

Reporting
Standard reports · 1 year of data retention · Enhanced Reporting Pack available for occupancy tracking and trend analysis

Visitor Managment
Visitor and vendor management with scheduled, time-limited access

Integration & AI
Full PMS integration suite · multi-factor authentication · Eeva AI Video Agent · Brivo Genius Agents · smart video search

Give your staff their time back

Automated move-in / move-out

Native Yardi, RealPage, Rent Manager, and Entrata integrations provision and revoke credentials the moment a lease changes.

One dashboard, every site

Check an access event, pull video, or revoke a credential from a phone, without driving to the property.

Brivo Genius Mobile Agent

Provision access, pull a report, train new staff, or trigger a lockdown with a single voice or text command.

Video that answers questions

Smart Video Search and Eeva AI find footage by person, vehicle, or time frame in seconds, no manual scrubbing.

Resident Experience

One credential, gate to unit

Gate to unit access Brivo Mobile Key, fob, card, or PIN opens the perimeter gate, lobby, elevator, amenity spaces, and the unit door.

Effortless guest access Residents grant access by PIN or Brivo Mobile Pass with schedule limits, no call to the leasing office required.

Brivo Intercom Visitors are camera verified from a resident's phone, low-friction install.

Smart home, in-unit Smart locks, thermostats, lighting, and sensors managed in the same app residents already use.

Real-time activity alerts
Residents get instant notifications for package arrivals, door events, and access activity, right from the Brivo app.
